Day : 2 HALF DAY DUBAI CITY TOUR / DHOW DINNER CRUISE

Breakfast at the hotel. By morning, proceed for a half day city tour of Dubai to enjoy the major highlights. Back to the hotel and afternoon free to relax or own activities. By 1915 to 1945 hrs, proceed for a dhow cruise with dinner at Dubai creek area. Back to the hotel and overnight at the hotel.

Explore the vibrating Dubai from old facets to the new one by visiting old districts of Al Fahidi and Al Bastakiya and discover the restored wind tower houses and narrow lanes. Visit Dubai Museum to trace Dubai's history through the artefacts. Continue to Dubai Creek, and enjoy an Abra ride, the traditional waterway connecting through Deira and Bur Dubai. Then proceed to Jumeirah and enjoy a photo stop near Burj Al Arab. Enjoy a drive through Palm Jumeirah and enjoy the view of renowned Atlantis the Palm.

Also known as the Al Fahidi Historic District of Dubai, Al Bastakiya is one of the oldest and traditional Emirati residential areas in Bur Dubai. Constructed in the 1690s, Al Bastakiya gives you an interesting insight into the rich cultural heritage of Dubai. Dubai Museum, housed in the Al Fahidi Fort which was built in 1787, features galleries that recreate historic Arab houses, mosques, Souks, date farms and desert and marine life. It also includes an exhibit on pearl diving, with sets of pearl merchant's weights, scales and sieves. You can view artefacts from Africa and Asia, as well as local finds from several archaeological digs that date back to the third millennium BC. Abra comes from the Arabic verb "abara" which means to cross. Enjoy the ride on the Dubai Abra, the city's most traditional mode of transport. A traditional market set at the heart of a district called Deira, the 'souk' is a place to buy or sell and is Arabic word for 'Mall'. With 300 shops, big and small, Gold Souk is known to have the best gold jewellery in Dubai. Shops with exclusive gold and diamond necklaces displayed in the windows are the perfect way to intrigue customers and with mannequins

adorned with beautiful gold dresses, customers file indoors to have a look at more. One of Dubai's most famous tourist landmarks, the Burj Al Arab Jumeirah often stands among the top five – if not the absolute peak – of the world's most iconic hotels. The tree-shaped Palm Jumeirah Island is known for glitzy hotels, posh apartment towers and upmarket global restaurants.

For a truly authentic and unique experience in Dubai, enjoy a Dhow dinner cruise along the Deira Creek, the most relaxing way to enjoy the beautiful view of the historic creek of the old Dubai. Right from the moment you step on to the dhow, you will experience a friendly red carpet welcome with an Arabic coffee and dates. Relax and enjoy the soft background music as it gently glides across the historic Deira Creek, indulge in an exceptional delicious buffet of continental, Arabic and Indian dishes. The wooden Dhows are beautifully decorated in an authentic way and fully equipped with modern facilities. The upper deck of the boat is open air and the lower deck is air-conditioned with large windows for a beautiful view and picture opportunities of the traditional architectures on the Bur Dubai side of the creek to the stunning buildings on the Deira Creek.

Day : 3 MORNING FREE / DESERT SAFARI WITH DINNER

Breakfast at the hotel. Morning free for shopping or own activities. By afternoon, proceed for a desert experience by 4WD vehicle. Enjoy the camp activities with a barbeque dinner. Back to the hotel and overnight at the hotel.

The Desert Safari Dubai is a synonym to the exciting ride in Red Dunes of Dubai in a typical 4WD vehicle. Along with the joyful and fearful cackles you raise during dune ride, Desert Safari in Dubai gives the glimpse and flavour of typical Arab Bedouin lifestyle once you arrive at the camp site in Dubai Desert. It is worth doing an expedition for visitors of Dubai. The 4x4 desert safari is a thrilling ride you would take in a SUV through the daring sand dunes of Dubai. Although the drive is the main highlight of the safari, there is so much more to it than just that. Right amidst of the desert you have the perfect play area to quench the adventure streak within you. At night you can enjoy the cool breeze and have some lip-smacking delicacies in a company of your friends and family. The feast which is served on a desert safari is simply outstanding. You can even indulge in activities such as dune bashing or quad biking. Another amazing Dubai desert experience is learning about the ancient art of falconry. When a stunning falcon sits on your hand you can actually feel your heart racing fast. Dune bashing means driving at increasing and decreasing speeds over sand dunes. As the surface of the sand keeps shifting, it takes a special skill and a special type of car to navigate the terrain – usually a sports utility vehicle (SUV). The dune bashing, part of Desert Safari tour, is a bumpy and thrilling ride that lasts about an hour. The vehicles travel in convoy and stick close together as they perform their stunts.
